TONOPAH BOY IS MARRIED IN RENO

The announcement has been received in Tonopah of the marriage on Monday at Reno of Miss May Donovan, of Silver City, to Robert Donovan, son of Mr. and Mrs. T. J. Donovan of Tonopah. The groom is connected with the mines rescue car of the U. S. bureau of mines for the Nevada district, and makes his home at Reno at the present time. Governor and Mrs. Emmett D. Boyle, close friends of the bride, were present at the ceremony to wish the happy couple success on their journey through life.

Mr. Donovan, the groom's father, is one of the efficient engineers for the West End Consolidated Mining company.

BELIEVES NEW CAMP HAS BRIGHT FUTURE

Sheriff Thomas of Nye county was among the morning arrivals, having business in this city with the prison authorities, says the Appeal.

In speaking of the new camp of Royston, Thomas stated that there is every reason to believe that it has a bright future, as the leasers are busy taking out high-grade ore and shipments are going forward to mills and smelters.

The camp is situated close to the old San Antonio mines and some of the most valuable discoveries have been made in the abandoned workings of pioneer prospectors who decided that the grade of ore was too low for the time and to far from transportation.

Sheriff Thomas anticipates a general revival of business in the Nye county section with the opening of spring.

LISBON, Dec. 29.—Two persons were killed and five wounded by the explosion of bombs which it is alleged were being manufactured in a building belonging to the Lisbon General Confederation of Labor. Some arrests followed. The government is maintaining order.

INTEREST IN CHICO LEASE IS BARTERED

The ever-increasing interest in Royston is reflected in the purchase yesterday of a one-third interest in the lease on the Chico claim by Frank Kimball. The original holders of the lease, Cohn, Heffron and Guthrie, have done considerable development on the property and the showing that had already been made was sufficient for Kimball to become interested.

Kimball purchased the interest in the lease that was formerly owned by Nat Guthrie and started right in to become enthused about the property. Yesterday a good showing was made at a depth of 30 feet, which carries the ore responding colors and general characteristics of the ore that has been so profitable in the Betts lease, which corners with the Chico claim.

No consideration was stated in the transactions but it is understood that the new owner paid a substantial price for his interest. It is said he is pleased enough with his new purchase to state that he would not take many times what he paid for it, and a very positive in his declaration that he intends to hold on.

CORONER'S JURY REACHES VERDICT

At 11:30 o'clock yesterday afternoon the coroner's jury, sitting as the inquest proceedings relative to the death of the three men who lost their lives in the "Big Ship" fire of last Friday night, rendered the following verdict: "We, the jury and the coroner, find that the fire was caused by the negligence of Frederick H. Johnson, aged about 40, nativity unknown; George H. Johnson, aged about 40, nativity unknown; and Joe Johnson, aged about 40, nativity unknown, who were found dead from burning in the Big Ship burning house, December 23, 1921, and that the origin of the fire was unknown."

The jury was composed of the following men: Captain A. Case, Br. Nathan, W. S. Johnson, Frank Br. Nathan, George Coslett and Thomas J. Evans.

EIGHT YEARS REQUIRED TO BUILD A SHIP

(By Associated Press.) BOSTON, Mass., Dec. 29.—A 40-inch model of the United States freight Constitution, conforming exactly in every detail and proportion to the original "old transducer" that is spending her last long furlough hauled against a dock in the Charleston navy yard, has been added to the famous collection of miniature ships housed in the old State House here.

This little Constitution cost Lieutenant Colonel William F. Spicer of the marine corps eight years of work. And so faithfully so patiently and so well did he build that his model has been sailed on the ocean. The ship has been pronounced perfect in line, in sheer, in proportion, and in every detail of her intricate rigging. Colonel Spicer used 675 blocks in making the tackle and 2822 litches in the ratlines. Two pieces of Mexican mahogany make the hull. The 44 guns are wooden, carefully chosen so that their weight would not be too great to permit the sailing of the vessel. The upper works are of lighter wood, the sails are of silk, and every one is to scale.

Colonel Spicer said he made the model because he "loved the old freight."

NEW ASSISTANT FOR TRAFFIC MANAGER

The following announcement has been received from W. D. Forster, traffic manager of the Tonopah & Goldfield railroad: "Effective December 25, 1921, Mr. E. M. Rebar, is appointed assistant traffic manager of this company."

The announcement will be received with more than ordinary interest by the many friends of Mr. Rebar, who for many years has been the chief clerk to Mr. Forster at the Goldfield office. The promotion of Mr. Rebar is a reward for a long period of meritorious service with the railroad.

MARRIED IN GOLDFIELD

Announcement has come from Goldfield of the marriage there yesterday morning of Robert Holmes, of Tonopah, and Miss Euphemia Wells, who gives her place of residence as the Esmeralda county seat. They were married at the court house by Justice of the Peace J. F. Bradley.

PERSONAL

HURT REPAID, JR. was a passenger today for San Francisco. AVES WATSON has gone to Silver Peak to look after mining interests.

W. R. WILSON, pioneer of Manhattan, is spending a couple of days in Tonopah.

H. F. CONOVER departed this morning for New York city where he goes to visit his son.

URS J. W. DRAPEL, who is co-owner of the restaurant at Royston, is a business visitor to Tonopah.

CHARLES J. CORR departed this morning for Royston to look after a number of locations in which he is interested.

JOHN ALQUIST, the bull man, was a passenger this morning for San Francisco, where he will enter the lame hospital.

CHARLES E. KNOX, who has been in New York for the past five months on mining business, was an arrival this morning.

FREDERICK CHAPMAN and L. R. ROBINSON, officials of the Tonopah & Goldfield Development company, were passengers this morning for Reno.

FRED NORTH, the new deputy revenue collector for southern Nevada, arrived for Reno yesterday morning to receive instructions from Revenue Collector Spicer.

J. T. WATERS, deputy revenue collector for Nevada with headquarters at Reno, arrived from Goldfield last evening and expects to remain in Tonopah for the next week.

MISS FRANCES C. PHILLIPS, deputy county recorder who has been visiting her mother at Beauty for the past month, was an arrival this morning. She was accompanied on the return trip by her mother, Mrs. K. G. Phillips.

Mrs. M. J. RUBLE, of Marysville, Calif., and Mrs. ZETTA IDEM, of San Francisco, mother and sister respectively of Mrs. George M. Rose of Tonopah, arrived in the city this morning to make an extended visit.

When the average person invests his money in a gold prospect, or in an oil possibility, or in the development of an invention, or even in a new industry, he makes a bet on somebody's guess that it will turn out well.

When the average user of a public utility service, or the average investor in a company supplying such a service, makes use of its product, or puts his money into it to get an income, he has behind the service rendered, or the investment made, the genius and the research of generations.

Did it ever strike you, gas user, electric light and power customer, street railway rider or telephone subscriber, how much genius you get for your dollar? Or how much of the history of invention is in the service rendered you? Or how much romance there has been in the up-building of the service given you on the instant, when you call for 42-New York Globe and Commercial Advertiser.—Adv.

MRS. MARY GRANT DIES IN DAWSON

A telegram was received last evening by Jack Grant, former chief of police of Tonopah, from his nephew, John H. Grant, at Dawson City, Yukon territory, announcing the sad news of the death of Mrs. Mary Grant, sister-in-law of the former police chief. Bright's disease was the cause of Mrs. Grant's death and the end came suddenly, according to the message.

Mrs. Mary Grant, sister of Mrs. Jack Grant of Tonopah, was the widow of Jack Grant, former sheriff of Pitkin county, Colorado, where the family formerly lived. She was the mother of nine children and had been living in Dawson City for some time past. Her husband's death will be remembered about two years ago, when with about a dozen others he was poisoned by eating canned meat at a banquet in the Alaskan gold camp.
